WATCHES & WONDERS MIAMI TO RETURN TO THE MIAMI DESIGN DISTRICT IN FEBRUARY 2021

The Third Edition Will Feature An Enhanced Program In-Line With The New
Watches & Wonders Geneva Concept

Geneva, December 19, 2019 - The **Fondation de la Haute Horlogerie** (FHH), with the support of its partner brands and the **Miami Design District Associates** (MDDA), is pleased to announce that the next edition of Watches & Wonders Miami will take place February 12-14, 2021. The move to postpone the 2020 event reflects a strategic decision taken by the FHH to focus all efforts on the debut of the new Watches & Wonders Geneva concept which is scheduled for this coming April 25 – 29.

With Miami continuing to grow as a global hub for art, culture and luxury overall, the FHH remains committed to the city, and the Miami Design District in particular, as an ideal setting for the Watches & Wonders concept. The timing, which will coincide with the popular Presidents Day weekend, will enable the FHH to deliver the optimal experience for attendees and partner brands, as well as allow for continued partnership with the Miami Concours and Miami Yacht Show.

“We were thrilled with the resonance of Watches & Wonders Miami 2019, and we look forward to continuing the celebration of fine watchmaking in 2021 in the Miami Design District—this time with a new look, and even more Wonders,” stated **Fabienne Lupo**, Chairwoman and Managing Director of the Fondation de la Haute Horlogerie.

Watches & Wonders is set to become the hallmark of excellence; a place for professionals to meet and be inspired, and for the public to learn more about, and marvel at, watchmaking and countless wonders.
